

# REACH

## Declaration of Compliance

Issued by

Custom Stainless Enclosures, Inc.

Declare that our electrical enclosures are designed and constructed according to the fundamental safety and health requirements listed below.

REACH Statement:

Custom Stainless Enclosures, Inc. has reviewed our products to include purchased components and hardware, that we have supplied to you through our vendors, with regard to the SVHC substances included in the latest ECHA candidate list.

Based upon information such as Safety Data Sheets (MSDS) provided to Custom Stainless Enclosures, Inc. from our raw material suppliers, vendors and our current knowledge of our products, we can confirm that Custom Stainless Enclosures, Inc. products do not contain any of the SVHC substances at levels greater than that permitted by the REACH Regulation.
